

A Word of **Welcome**

We are pleased that you and your physician have chosen Louisville Surgery Center for your procedure. Because your comfort and well being are very important to us, we are beginning preparations for your visit.

We want your care at Louisville Surgery Center to be as pleasant as possible. Our center has been designed for adults and children who are in need of surgery or special procedures that do not require overnight stay at the hospital. The professional staff serving you is dedicated to providing the highest quality care. Our experience with single day surgery patients allows us to become familiar with the special needs you or your child may have when undergoing a surgical procedure.

Experienced nurses and technicians will provide you with instructions and support.

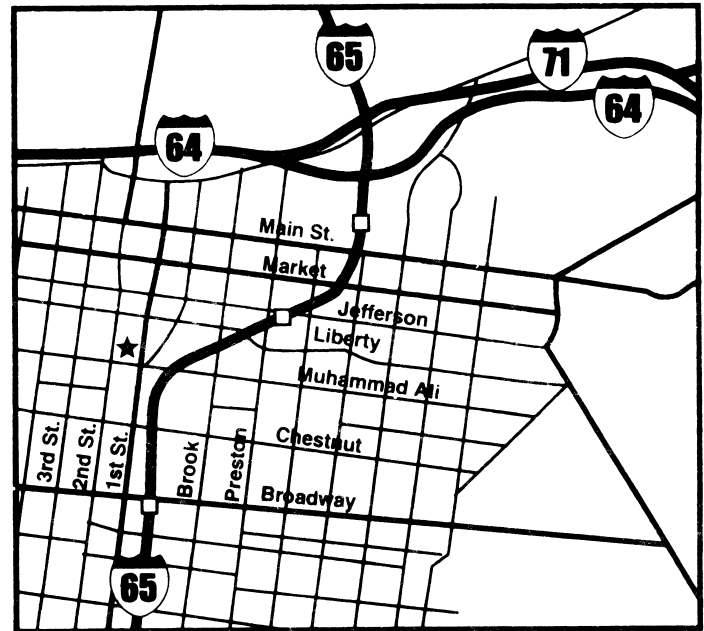

Location:
